\$30,000 BARN BLAZE SUNDAY; SAVE CATTLE

Damage was estimated at \$30,000 when a barn was destroyed by fire Sunday afternoon on the farm of Leonard J. Gillespie on the Simmons Rd., Taneytown, R. 2, four miles east of Emmitsburg.

The blaze was beyond control when the Vigilant Hose Co. of Emmitsburg arrived.

Firemen devoted their efforts to prevent the spread of the fire to the home and other nearby buildings and to extinguishing grass fires which broke out nearby.

When Taneytown firemen arrived the two companies laid 1,900 feet of hose from a pond on the farm of Leo Seiss and chopped through seven inches of ice to obtain water. The barn was filled with hay, straw and grain. A milk house, milk cooling equipment and farm machinery were also destroyed.

All livestock was removed from the structure. Firemen required three hours to bring the fire under control.

EXPLORERS ASK FOR MORE FOOD

Explorer Post 79 today made an appeal for canned vegetables to help fill the food baskets it plans to give 50 needy families over the Christmas holidays.

Richard Phiel, advisor for the post, said the "food movie" held Saturday morning and donations by individuals produced quantities of canned goods "but most of it was canned fruit and there just aren't enough vegetables and other basic foods to go around."

While donations have provided enough articles to almost fill the baskets for the 50 families, numbering more than 300 people, "we hope additional donations will permit giving everything for one or several well rounded meals." It is hoped also have a chicken for each basket as the meat portion of the meal.

Donations of canned vegetables or money by which the needed articles can be purchased, can be left at St. James Lutheran Church or at Phiel's Garage.

Phiel said the 50 families live "throughout Adams County." Delivery of the food baskets is to be made Tuesday evening with members of Kiwanis providing transportation.

Goldfine Given 3 Months In Jail In Contempt Case

BOSTON (AP) — Federal Judge Charles E. Wyanski Jr. sentenced New England industrialist Bernard Goldfine to three months in jail today for contempt of court in failing to turn over company records in a tax probe.

Miss Mildred Paperman, his secretary for many years, was given 10 days in jail. Sentences will start Jan. 7. Both were released in personal recognizance of \$1,000.

Their convictions were handed down Friday by Judge Wyanski. Judge Wyanski told Goldfine: "I have no wish that you spend this season in jail and I wish to give you adequate opportunity to present this case to the court of appeals."

A look of dismay crossed the 67-year-old Goldfine's face. Miss Paperman sagged a bit as the judge passed sentence.

Judge Wyanski said he based his decision on the fact that Goldfine and Miss Paperman were "intimate with tribunal proceedings and were well aware of the penalties for flouting the authority of his court."

De Gaulle Elected First Head Of Fifth Republic Of France By Wide Vote

By HARVEY HUDSON

PARIS (AP)—Premier Charles de Gaulle's bandwagon rolled on in France Sunday with his third personal voting victory. As expected, members of the Electoral College overwhelmingly elected him the first president of the Fifth Republic.

The wartime hero, 68, who stepped aside as premier in 1946 rather than play second fiddle to the National Assembly, now can assume the presidency for a seven-year term with greatly increased powers. He will take over the office from Rene Coty, 76, Jan. 8.

The "rule by Assembly" of the Fourth Republic collapsed just as de Gaulle had predicted. Under special powers granted him to reform the French state after the revolt last May, de Gaulle wrote a new constitution with a strong executive.

First Victory

His first victory came when the new constitution was approved by an 80 per cent vote in a September election.

In November, a new National Assembly was elected with a preponderance of de Gaulle followers.

In Sunday's presidential election de Gaulle got 78.5 per cent of the valid ballots of the grand electors, an Electoral College representing the French mainland and overseas territories.

De Gaulle did not vote or take part in the election. As premier he did not belong to any category of the grand electors, made up of mayors, municipal and county councillors, Parliament members and a few plain citizens.

Foes Far Behind

Of 79,468 valid ballots, complete returns gave de Gaulle 62,392.

The two token opposition candidates ran far behind. Communist Georges Marange, 70, mayor of the Paris suburb of Ivry, received 10,354 votes. Albert Chatelet, 75, a University of Paris dean and candidate of the non-Communist

E. L. STERNER BURIED TODAY IN ARLINGTON

Edward L. Sterner, 49, former Washington, D. C., park policeman, who died of a brain injury last week and was buried today in the Arlington Cemetery, was a native of Gettysburg.

Sterner, who was known as the "smartest-looking motorcycle officer on the force," had undergone extensive brain surgery as a result of injuries suffered in the line of duty. Four years ago he retired because the injury was causing blindness.

The policeman was assigned to escort famous visitors because of his trim appearance, good looks and outstanding public relations ability.

When he retired, the former chief of the Park Police, Inspector Mark Raspberry, said of him, "He is one of the most popular policemen in the city of Washington—he has as many friends as any policeman ever had."

Served In War

He was a veteran of three-years Army service before World War II, and joined the force in 1942. From 1947 until his retirement he was a motorcycle officer and escorted Presidents Roosevelt, Truman and Eisenhower; Sir Winston Churchill and nearly all the top United States military leaders.

He was a well-known figure at events like the Cherry Blossom Festival, President's Cup Regatta, inaugural and other parades.

Ingrid Bergman Marries Despite Divorce Problem

LONDON (AP) — Ingrid Bergman eluded press and public Sunday to marry wealthy Swedish businessman Lars Schmidt in a quiet civil ceremony.

The Swedish actress, 42, and her third husband, 41, flew off to Paris and went into seclusion before the world found out they had been married in London's Caxton Hall registry office.

The couple apparently were honeymooning at Schmidt's country home 15 miles outside Paris. In marrying again, Miss Bergman defied the Rome Court of Appeal which is considering a state prosecutor's contest of a lower Rome court's decree annulling her marriage to Italian film director Roberto Rossellini.

May Affect Appeal

She had announced months ago that she would wed Schmidt when she was free from Rossellini. At a hearing last Friday in Rome her attorney was warned that remarriage before the appeal court's decision "would be highly detrimental to her case." Another hearing is scheduled Feb. 3.

The actress' London attorney, Ambrose Appelbe, said the appeal against the annulment "is just a put-up job" and that her new marriage is legal in Sweden, Britain and France.

Under Italian law, the annulment is not legally effective until the appeal is decided. The state prosecutor said previously he would file bigamy charges if either Miss Bergman or Rossellini married before the case was settled.

Schmidt is the son of a retired Swedish army officer. He has been married, but was divorced six or seven years ago. He has been Miss Bergman's constant companion since she and Rossellini separated.

Miss Bergman's first husband was Dr. Peter Lindstrom, whom she married before her Hollywood success and by whom she had a daughter, Jenny Ann, now 20.

In 1949, at the peak of her American movie career, the actress went to Italy to make "Stromboli" for Rossellini. Their romance developed and she obtained a proxy divorce from Lindstrom Feb. 9, 1950, seven days after the birth of Roberto, her son by Rossellini.

Miss Bergman and Rossellini were married three months later. Rossellini asked for annulment of the marriage a year ago. Miss Bergman did not contest the suit.

11 PERSONS ARE HOMELESS IN SATURDAY FIRE

A family of 11 was made homeless Saturday night when fire destroyed the six-room, frame, two-story home of Mrs. Geraldine (Trent) Cool, 1½ miles west of Emmitsburg on the Crystal Fountain Rd.

Only the agility of a 15-year-old son of Mrs. Cool in climbing a porch at the home to warn nine children sleeping on the second floor prevented loss of life. After the 15-year-old youth, Jimmy Cool, aroused the sleeping children, several older youngsters slid down the porch posts and then caught smaller children as some of the older ones dropped them from the roof into the waiting arms of the elder youngsters.

Mrs. Cool was in Emmitsburg at the time of the fire.

Second Tragedy

The fire was the second tragedy in the family within a very brief time. Mrs. Cool's father, John Trent, who had resided with his children, and grandchildren was fatally injured when struck by a hit-run driver at the edge of Emmitsburg on November 15.

Six of the children in the home at the time of the fire were Mrs. Cool's. The other four were her younger brothers and sisters, children of John Trent.

Jimmy Cool was asleep in the kitchen when a four-burner oil stove exploded at 10:40 o'clock Saturday night, Emmitsburg Fire Chief John Hollinger said.

Awakens Others

The youth was unable to use the stairway to the second floor because of smoke and flames. He ran to the porch, climbed to its roof, and broke a window to get into the second floor. He roused the other nine children while the downstairs became a mass of flames and the fire licked toward the second floor. Other older children helped bundle up the smaller youngsters and carry them to the porch roof.

Defective Stove

The fire was apparently caused by a defective kerosene stove which served the family as a cooking unit and heating plant. Miss Bonnie Cool, 16, said that the family retired for the night about 10 p.m. and that she turned the three cooking jets and two oven jets on low range because of the cold weather. She speculated that the flame in one of the jets must have become extinguished and the excess kerosene from that burner ignited from one of the others and caused an explosion resulting in the complete destruction of the house.

Firemen of the Vigilant Hose Company were helpless against the blaze and concentrated their efforts on the surrounding woodlands.

Complete Loss

For the family the fire was a complete loss. The children were taken to the home of a nearby neighbor where they huddled in the small, overheated kitchen. Their mother was not at home when the fire broke out. The only things which were saved were clothes which were hanging on a wash line in front of the house. Firemen used some of these to mark off "hot" electric lines which tore away from their molten moorings; the rest of the damp clothes were put on the children in the kitchen.

Complete Loss

The destroyed home was owned by Martin Stouter, Emmitsburg. Temporary shelter was given the family in the home of a brother-in-law and sister, Mr. and Mrs. Jacob Green, W. Main St., Emmitsburg. A witness at the scene said the children "trooped out of the kitchen into a waiting car. The ground was frozen. They had no shoes, some didn't have coats, but no one complained."

Fire Chief Hollinger said the family "needs everything, a house, food, clothing, blankets, bedding, household furniture." Donated articles may be left at the Emmitsburg fire hall or Crouse's Drug Store.

More persons lost clothing than resided in the house. A brother-in-law, Raymond Springer, and his family resides in a small house nearby and their clothing was kept at the Cool-Trent home and was destroyed.

Clothing Needed

Chief Hollinger gave this list of 14 needing clothing as a result of the fire.

Two Canadian tourists awoke early Sunday morning in time to see one of their pocketbooks being taken from their unlocked motel room by a "young slim fellow," according to information given to borough police 15 minutes after the theft occurred.

At the time, Miss Jean Miller and Miss Berton Kewomant, Niagara Falls, Ontario, Canada, told police they awoke about 4:15 Sunday morning and saw a man walking out of their room in Home Sweet Home motel, 385 Stenwehr Ave., with purses containing "a good sum" of American money and some travelers' checks. They notified police. Later Miss Miller's pocketbook was found in their car. Miss Kewomant's purse containing \$150 in American money was the only purse missing.

Today's Talk

KEEP ALIVE

If you want to keep growing, broadening out, keener and keener for the enjoyments of life, even with its problems, worries, and fears, just keep thoroughly alive. Keep cheerful. Nothing is insignificant that is interesting. All nature is a school. Its lessons are important. Keep alive to them all. Transform them to the advantage of your mind and your heart.

There is a "that Something" in us all. And what rich possibilities lie slumbering within us! They await our own call. Our own initiative. If we keep becoming more and more important to ourselves, others are sure to be inspired to be likewise. Influence can be a thing of great power, and an urge to genuine happiness. Keep those things within you that create influence and you will have what mere money cannot buy.

We like to be with people who bubble over with good cheer and ideas. By listening to them we freshen our own lives and glow from their influence. It's a good world to those who see good within it. You can bank the good, for the bad pays no dividends.

Life is made up of gains and losses. But if you keep something alive within you, no matter what your losses may be, you will have something on which to build, perhaps again and again. My mother used to say that every boy should have a trade, beside his main line of work, or something that he could "fall back on." That idea seemed good to me a few years ago, but I fear it would run into too many difficulties these days.

I think it is important, however, that we all should keep something alive within us so as to be ready for any emergency.

Tomorrow Mr. Adams will talk on the subject: "Crowds" Protected, 1958, by The George Matthew Adams Service

Just Folks

BECAUSE IT'S CHRISTMAS

Just because it's Christmas I go smiling on my way,
And just because it's Christmas I am kindly-like and gay.
I'm full of human kindness
And as thoughtful as can be;
I develop total blindness
To the faults I used to see.Now my burdens are no lighter
When I come to Christmas Day,
And my troubles are no fewer,
And no smoother is my way
Than they were in bleak November.Yet, I seem to think them so;
And just because it's Christmas I am smiling as I go.Why must I go repining
And whimpering along,
And blind to all men's goodness,
Seeing only what is wrong,
Till the year is slipping from me,
And then suddenly declare
When it gets around to Christmas
That there's goodness everywhere?

SMITH ASKS
PA. BOARD TO
RECONSIDER

HARRISBURG (AP) — A State Board of Public Assistance member backed an appeal today to have the board reconsider its vote allowing welfare case workers to provide information on birth control.

Aud. Gen. Charles C. Smith, who voted against the policy change at a board meeting last week, asked the board to take a new vote on its resolution. The board voted 4-3 in favor of the proposal.

Prior to the vote, case workers were prohibited from recommending or providing information on birth control to relief recipients.

Says Some Regret Action

"I feel sure that some of these members of the board who voted for this change in regulations now regret that they acted so hastily," Smith declared.

"I expect when it is brought up again, the vote will be entirely different," Smith added.

The board action allows case workers to recommend birth control to relief recipients when they feel such action is warranted, provided the case worker takes into account the recipient's religious background.

"No Discrimination"

"I believe it is morally wrong to authorize caseworkers to advise recipients on birth control, especially because the resolution also requires them to determine first if the recipient has any religious scruples against this practice," said Smith.

"It is none of the caseworkers' business what the religious beliefs of a relief case are. As a matter of fact, the law specifically provides that there shall be no discrimination as to race, religion, or political affiliation."

"The whole thing should be scrapped."

Besides his prominence in the legal profession Mr. McCreary has for years occupied a commanding position in the community as one of our most public spirited, useful and conscientious citizens, filling responsible trusts and ready at all times to aid in public improvements. At his death he was acting as Chief Burgess, Manager of Evergreen Cemetery, Vice President of the Adams County Mutual Fire Insurance Company, counsel of the Gettysburg and Harrisburg Railroad, Director of the Battlefield Memorial Association, &c. For many years he has been a Ruling Elder in the Presbyterian Church at this place, active and conscientious in the discharge of all the duties growing out of his relations to the church. Mr. McCreary was a good man — an exemplary Christian — distinguished for his fidelity to truth and duty as he apprehended them and to every trust committed to him. He was in his 69th year.

Undeclared Carlisle To Oppose Warriors Here Tuesday; Prelim At 6:45

Gettysburg High, surprise winners at Hershey 50-41, face probably their toughest assignment of the season here Tuesday evening when they meet unbeaten Carlisle, defending, South Penn League champions, in a league game.

Picked early in the season to repeat as titlists, Carlisle has given every indication of doing just that. The Thundering Herds won non-league games from Susquehanna Township, John Harris, Central Dauphin and York Catholic before routing Middletown 70-37 in a league game.

Carlisle had just about everything required for a champion, experience, size and speed. In 6-3 Mike Washington, Carlisle has last year's league champion scorer. He tabbed 376 points. Paul Sollenberger 6-3, and Dick Eckert 6-0, are other starters from a year ago while Elmer Hodge and Jack Fuls saw considerable action last season. Ronnie Cromer has come along fast to gain a starting berth. Also held over from last year when they were reservists are Bob Lewis and Mike Green, both 6-1.

Warriors Improving
The Warriors gave their best performance at Hershey and it will take an even better exhibition to turn back the invaders.

Coach George Forney has a scrappy outfit that hustles all the way, one that could produce the best record in several seasons. Bob Furney, Mike Small, Hardy Nichols, Sid Weikert and Tommy Crist, plus several good reserves, have combined to give the Warriors a fine start with a 2-1 overall record.

The surprising unbeaten Warrior jayvees will be gunning for their fourth straight victory in the preliminary game at 6:45. The Carlisle scrubs lost to Middletown 34-30 on Friday.

Three additional South Penn games are on schedule Tuesday evening. Hershey plays at Chambersburg, Hanover at Middletown, and Shippensburg at Waynesboro.

Delone Faces Alumni
Two other county teams have games scheduled Tuesday evening. Delone (1-6) entertains the Alumni while New Oxford (1-2) meets unbeaten Spring Grove (5-0) on the latter's floor.

Delone will take part in the Spring Grove invitational tournament Friday and Saturday. Gettysburg tangle with the Alumni Saturday evening.

PITT-PSU DATE
UNIVERSITY PARK, (AP) — Penn State and Pitt will meet in their annual football game Saturday, Nov. 21, instead of on Thanksgiving Day.

The game was switched to Thanksgiving this year as part of Pittsburgh's bicentennial celebration.

GIANT DEFENSE TIES UP BROWN TO TAKE TITLE

By JACK HAND
Associated Press Sports Writer
NEW YORK (AP) — Notre Dame had its Four Horsemen, Fordham its Seven Blocks of Granite. Now we have the 11 Hangmen of the New York football Giants.

The 11 Hangmen who form the defensive unit of the Giants, tightened the noose around the neck of Jimmy Brown Sunday afternoon and sprung the trap on Coach Paul Brown's Cleveland Browns.

Because of their inspired defensive play and the opportunistic offense of Chuck Conerly, Frank Gifford, Alex Webster and Co., the Giants have won the Eastern Conference title of the National Football League.

Title Game in N.Y.
The 10-0 shutout of Cleveland engineered by Conerly's first touchdown of the season — on a lateral from a double reverse — and Pat Summerall's 13th field goal, sent the Giants into the championship game next Sunday with the Baltimore Colts.

The title game also will be played at Yankee Stadium, scene of the Giants' two exciting games with the Browns. It will be carried on network television (NBC) with New York and a 75-mile area blacked out.

Once again it is the grudging defense of the 11 hangmen that thrilled the icy crowd of 61,274.

Giant Line Great
The Giants' four-man defensive line was tremendous. Andy Robustelli and Jim Katcavage at the ends and Rosey Grier and Dick (Little Mo) Modzelewski at the tackles simply wrecked the Cleveland offense. With Sam Huff backing up the middle, taking dead aim at the great Jimmy Brown, and Cliff Livingston and Harland Sware adding their brawn as linebackers, Cleveland made only 24 yards rushing. Jimmy Brown, who set a league record with 1,527 yards in regular season play, was held to eight yards in seven carries.

The alert deep defense of Lindon Crow (the intercepted two), Carl Karilivacz, Jim Patton and Em Tunnell turned in an excellent job when Cleveland's badly rushed passers took to the air. Milt Plum, who was injured in the first half, and Jim Ninowski, completed 10 of 27.

Tricky TD Play
But all the defense in the world wouldn't have helped the Giants if they hadn't been able to score. The only touchdown was a tricky thing on a frozen field, an 18-yard play late in the first period.

Conerly took the ball from center and handed off to Webster coming around from right halfback. Webster gave it to Gifford, reversing from his left halfback spot. Gifford cut through the right side of the line to the 10 and then tossed a basketball-type lateral that carried about 15 or 20 yards to Conerly, who went all the way.

"I don't know when I scored before," said Conerly, the 37-year-old quarterback from Ole Miss who has thrown 144 touchdown passes.

Tied Up Brown
"It was something new we put in this week," said Conerly. "The lateral on the end was optional. I'm out there and he (Gifford) knows I'm there."

The Giants' other points came on Summerall's 26-yard field goal, set up by a 35-yard pass from Conerly to Bob Schnelker.

Jimmy Brown simply was defended right out of the ball park, with Huff his particular tormentor.

"That's the end of Brown for this year and am I glad," said Huff as friends crowded around his locker.

"Played Even Later"
In the other clubhouse, Jimmy had no excuses. "They just played even harder than last week, more determined," he said.

Coach Paul Brown, whose Browns were blanked for the first time since 1950 and beaten three times by the same team for the first time in any one season, was generous with praise.

One Real Threat
"You saw a fine team today, men," he said. "It was a tough, hard nosed game. We were just overpowered in the line. They had a full head of steam up. We had to pass and it had to be excellent."

Coach Jim Lee Howell praised his defensive unit.

"They played the best defensive ball I ever saw a club play against a real good team."

Cleveland's only real threat came in the second half. After recovering Don Maynard's fumble of a punt, they moved to the 4 before the defense ganged up on them. Pushed back to the 16, Plum's pass was intercepted by Huff on the first play of the fourth period.

The action became bitter at times. In one flare-up Mel Triplett, the Giants' fullback, was tossed out of the game for throwing a punch or two after an altercation with Don Coio and Don Paul.

Weren't excellent."

Coach Jim Lee Howell praised his defensive unit.

Reporters, Broadcasters Select Three Grid Games "Thrills, Drama-Packed"

By HUGH FULLERTON JR.
Associated Press Sports Writer
For thrills and drama three games played on the same Saturday—Nov. 9—topped the 1958 college football season.

They were Pittsburgh's 29-26 conquest of Notre Dame, a 60-15 romp by Arkansas against Hardin-Simmons and Army's torrid 14-7 victory over Rice.

The season provided plenty of spectacular and exciting games and incidents for nearly 200 sports writers and broadcasters who named the season's highlights in response to the Associated Press post-season questionnaire. They mentioned about 35 or 40 different occurrences.

Pitt-Notre Dame
The Pitt-Notre Dame game, previously picked in the second spot among the season's most outstanding games, drew 18 assorted votes as the most spectacular of the year. The experts figured Ohio State and Iowa had put on a greater over-all performance but it didn't have as many thrills.

It was a beat-the-clock finish of a game that had been exciting from the start that made the struggle between Pitt's Panthers and Notre Dame's Irish so exciting. Pitt led 15-14 at half time after getting the first two touchdowns.

2 100-Yard Runs
Two players collaborated in a unique and spectacular performance for Arkansas. In a lopsided game, Jim Moody took a Hardin-Simmons kickoff in the end zone and ran more than 100 yards for a touchdown. The next time Hardin-Simmons kicked off, Billy Kiser contributed another 100 yard run.

A search of NCAA records failed to show any other occasion when there had been two 100-yard kickoff returns in one game.

Six listed the sensational last-minute pass that brought Army its victory over Rice. It came after the Cadets had stopped a Rice drive on the nine by blocking a field goal try. On the second play, with barely a minute to go, quarterback Joe Caldwell fired a long pass to Capt. Pete Dawkins, who took it on the 35 and headed for the goal. He was spilled 10 yards away, but staggered on to score.

GIANTS TIES UP BROWN TO TAKE TITLE
By JACK HAND
Associated Press Sports Writer
NEW YORK (AP) — Notre Dame had its Four Horsemen, Fordham its Seven Blocks of Granite. Now we have the 11 Hangmen of the New York football Giants.

The 11 Hangmen who form the defensive unit of the Giants, tightened the noose around the neck of Jimmy Brown Sunday afternoon and sprung the trap on Coach Paul Brown's Cleveland Browns.

Because of their inspired defensive play and the opportunistic offense of Chuck Conerly, Frank Gifford, Alex Webster and Co., the Giants have won the Eastern Conference title of the National Football League.

Title Game in N.Y.
The 10-0 shutout of Cleveland engineered by Conerly's first touchdown of the season — on a lateral from a double reverse — and Pat Summerall's 13th field goal, sent the Giants into the championship game next Sunday with the Baltimore Colts.

The title game also will be played at Yankee Stadium, scene of the Giants' two exciting games with the Browns. It will be carried on network television (NBC) with New York and a 75-mile area blacked out.

Once again it is the grudging defense of the 11 hangmen that thrilled the icy crowd of 61,274.

Giant Line Great
The Giants' four-man defensive line was tremendous. Andy Robustelli and Jim Katcavage at the ends and Rosey Grier and Dick (Little Mo) Modzelewski at the tackles simply wrecked the Cleveland offense. With Sam Huff backing up the middle, taking dead aim at the great Jimmy Brown, and Cliff Livingston and Harland Sware adding their brawn as linebackers, Cleveland made only 24 yards rushing. Jimmy Brown, who set a league record with 1,527 yards in regular season play, was held to eight yards in seven carries.

The alert deep defense of Lindon Crow (the intercepted two), Carl Karilivacz, Jim Patton and Em Tunnell turned in an excellent job when Cleveland's badly rushed passers took to the air. Milt Plum, who was injured in the first half, and Jim Ninowski, completed 10 of 27.

Tricky TD Play
But all the defense in the world wouldn't have helped the Giants if they hadn't been able to score. The only touchdown was a tricky thing on a frozen field, an 18-yard play late in the first period.

Conerly took the ball from center and handed off to Webster coming around from right halfback. Webster gave it to Gifford, reversing from his left halfback spot. Gifford cut through the right side of the line to the 10 and then tossed a basketball-type lateral that carried about 15 or 20 yards to Conerly, who went all the way.

"I don't know when I scored before," said Conerly, the 37-year-old quarterback from Ole Miss who has thrown 144 touchdown passes.

Tied Up Brown
"It was something new we put in this week," said Conerly. "The lateral on the end was optional. I'm out there and he (Gifford) knows I'm there."

AUBURN LEADS CAGERS WITH STREAK OF 16

By DON WEISS
Associated Press Sports Writer
The holiday tournament, college basketball's cash-lined year-end showcase, progresses from the hectic to the frantic stage this week.

No fewer than a dozen major tournaments involving some 75 of the nation's big teams will be under way within the next eight days.

Three big ones over the past weekend established Kentucky, North Carolina and Auburn as bonafide members of the nation's elite.

Kentucky, defending NCAA champ, ran its record to 8-0 and 1-0 stretching back to last year, by sweeping past Ohio State 95-76 and then West Virginia, 97-91, in the Kentucky Invitation Tournament at Lexington.

Tarheels Win Tourney
North Carolina, back to the top after a hasty rebuilding job by Frank McGuire, bagged the Blue Grass Tournament title in Louisville, clipping previous unbeaten Northwestern in the final, 78-64.

Auburn, building a basketball reputation as formidable as its football prowess, boosted its winning streak to 16, tops of the big schools, with a 79-60 victory over Alabama in the Birmingham Classic final.

Now it's up to the likes of Cincinnati, Kansas State, North Carolina State, Mississippi State, Xavier of Ohio, Dayton, St. Joseph's of Philadelphia, Michigan State, and a long list of other hopefuls to try to match 'em.

Test For Cindy
Cincinnati, doing well with a 5-0 record behind All-America Oscar Robertson's 38.8-point average, gets its test in the power-packed Dixie Classic, opening at Raleigh, N.C., a week from tonight. Also in the field are unbeaten North Carolina and Michigan State, beaten but once in seven starts.

Kansas State (7-1) joins its seven league companions in the Big Eight tourney starting Friday at Kansas City. Xavier (5-0) turns to tournaments with such as Wichita, San Francisco, Oregon and host Oklahoma City in the All-College Tournament opening the same day in Oklahoma City. Dayton (6-0) and St. Joseph's play in the ECAC at New York's Madison Square Garden, also opening Friday.

Other Tourneys
Friday also triggers the Southwest Conference Tournament at Houston, with Texas A&M and Rice the chief contenders.

Saturday, the Queen City in Buffalo brings together Brigham Young, Dartmouth, Seton Hall and Canisius. Oregon State, Air Force, Iowa and Wyoming line up for the Far West Invitational in Corvallis, Ore.

The Orange Bowl Tournament starts at Miami next Monday with NYU, Miami of Ohio and Tulane joining the host Hurricanes. Mississippi State (7-0) joins Maryland, Memphis State and Loyola of New Orleans in the Sugar Bowl at New Orleans the same night.

The 29th also is first-round day in the Gator Bowl Tournament in Jacksonville, Fla.

Terry Brennan Fired As Notre Dame Coach; Joe Kuharich Gets Position

SOUTH BEND, Ind. (AP) — Joe Kuharich today was named football coach at Notre Dame. He succeeds Terry Brennan who was released Sunday. Kuharich, a former Notre Dame guard, has been coach of the professional Washington Redskins since 1954.

Kuharich's appointment was announced by the Rev. Edmund P. Joyce, executive vice president and chairman of the faculty board in control of athletics at Notre Dame.

Kuharich signed a four-year contract.

SOUTH BEND, Ind. (AP) — Terry Brennan, Notre Dame's sixth football coach since the death of Knute Rockne in 1931, was fired Sunday night after a five-year record of 32 victories and 18 defeats.

No definite reason was given for the dismissal other than the action had been recommended by Rev. Theodore M. Hesburgh, C.S.C., president of Notre Dame, by the faculty board in control of athletics.

Wants To Coach
Brennan, 39, who admitted having known of his dismissal for a couple of days, said he did not know when his successor would be but added "I can only say it will not be someone at Notre Dame."

Brennan said he is not sure what his plans are but "I'd like to remain in coaching. It all happened so fast, I haven't had time to reflect. I'll think about it for a couple of days and decide after that."

Although he experienced only one losing season, Brennan's stay at Notre Dame was turbulent. After a successful tenure with Mt. Carmel High School in Chicago where his teams won an unprecedented three straight city championships, Brennan went to Notre Dame as freshman coach in 1953.

Succeeded Leahy
Early in 1954, he was named to succeed Leahy who quit with a record of 87-11-9 — second only to Rockne's 105-12-5.

Because Brennan was only 25 then, there was some rumbling but this died out quickly when Notre Dame finished with a 9-1 record, losing only to Purdue. In 1955, Notre Dame had a respectable 8-2 record.

Then came what actually started Brennan's downfall. Notre Dame completed the 1956 season with two victories and eight defeats.

The wolves were howling but Brennan bounced back in 1957 with a 7-3 which included victories over Army and Oklahoma. With the entire squad back this year great things were expected. However, the Irish lost to Army, Purdue, Pitt and Iowa and finished with a 6-4 record.

The POWER of FAITH *by Howard Bredie*

A Japanese who once hated Americans has been turned by faith in God to the love of all mankind. The Japanese is Captain Mitsuo Fuchida, leader of the air attack on Pearl Harbor, who was once tried as a war criminal and acquitted.

After the war, in the countryside of Japan, he began to think of peace. He wondered what could transform hatred into brotherly love. Then a returning prisoner told him of a Christian American girl who ministered to him in camp, even though her parents had been killed by the Japanese. Also, he learned how the hatred of a Doolittle bombardier had turned to love while reading the Bible in a Japanese prison.

Fuchida bought a Bible. Reading Christ's words on the cross, "Father, forgive them for they know not what they do," he knew Christ was the power to transform hatred into love. He became a devoted Christian. Today, he preaches to his countrymen, and heads the Sky Pilots of America in Japan, a leading Christian youth organization.

PLANE DELAYS WELCOME FOR NEW CARDINAL

PHILADELPHIA (AP) — John Cardinal O'Hara came home from Rome Sunday more than four hours late and a bit shaken up.

The Cardinal and his party were to have landed at International Airport at 9 a.m. About 2,000 people were waiting to greet him.

But two planes had engine trouble before they took off from New York. The party transferred to a third plane which developed engine trouble en route.

Roar Of Welcome

One engine was feathered 10 minutes from Philadelphia and the emergency trucks waited near the runway. The four-engine Trans World Airlines plane landed without difficulty.

A roar of welcome greeted the frail 70-year-old prelate when he stepped from the plane at 1:13 p.m. He leads the 10-county archdiocese of Philadelphia in southeastern Pennsylvania.

The cardinal made his way to the speakers platform and said: "It's great to be home."

Then came speeches by city officials, musical presentations by Catholic school groups, a motorcade to downtown Philadelphia, a Mass at the Cathedral of Sts. Peter and Paul.

DIGITAL DISCUSSION — TV's Steve Allen and concert pianist Van Cliburn appear engrossed in a problem of piano fingering during gathering in New York restaurant.

25 YEARS OF MILK CONTROL BY NEXT WEEK

HARRISBURG (AP) — Pennsylvania agriculture will mark a

quarter of a century of milk control next week. Age has failed to dim the laws as centers of legislative controversy.

The first milk control law was enacted Jan. 2, 1934, in a special legislative session. It was reenacted the following year and made permanent in 1937.

The law—subjected to attack in every Legislature for 25 years—

requires the State Milk Control Commission to set minimum wholesale and retail prices.

Biennial Target

There have been few quarrels about the establishment of farmer prices at the wholesale level, but the retail price-setting feature of the law is the biennial target of some lawmakers, primarily from the major urban milk markets of

Philadelphia and Pittsburgh.

Milk control opponents generally argue that the so-called economic law of supply and demand should determine how much the consumer should pay.

A Philadelphia lawmaker has promised to introduce legislation again in the 1959 General Assembly to end retail price regulation without touching wholesale price setting. He is Rep. John J. Welsh (D-Phila.).

Discount Change

But spokesmen for the milk marketing industry express little concern over the probability of such legislation getting through both houses of the Legislature.

Similar proposals have rarely gotten out of committee for a floor vote, and even then were defeated. In the 1957 Legislature, a Welsh bill aimed at the retail price setting powers of the commission died in the House Agriculture and Dairy Industries Committee.

The industry spokesmen also discount the change in control of the House from Republican to Democrat—meaning city voices have more say in the approval of legislation.

Says Penna. Price Lower

"In every session when these ripper bills appeared, the Legislature investigated the workings of milk control and in their wisdom found it has benefited the consumer," said Henry R. Geisinger, executive vice president of the Pennsylvania Assn. of Milk Dealers.

Geisinger contended that U. S. Agriculture Department statistics indicate the Pennsylvania housewife pays less for milk than her

Play Has Endings To Suit Audiences

NEW YORK (AP) — One play with four endings — that's the record thus far of Arnold Schulman's "A Hole in the Head."

The comedy, which concerns the domestic and business fortunes of a happy-go-lucky widower, was first seen on television, reached Broadway in 1957, now is being made into a movie and also shown in off-Broadway production.

Explains Schulman: "Just like a suit has to vary to suit the occasion, the place and environment, so my play has to change to suit the different audiences."

counterpart in other eastern seaboard states where industrial wage levels and other factors are comparable.

To Be Controversial

The average price in the commonwealth for standard milk is 26 cents a quart, compared to prices ranging from 27 cents to 32 cents in other eastern markets.

"On the other hand the rigid financial control which the Milk Control Commission exerts over the industry has brought the Pennsylvania farmer a higher price for his same milk than is received by farmers in these other states," Geisinger said.

The price of milk—retail and wholesale—will probably continue to be controversial as long as there is milk control. The next 26 years of its life are expected to be no less stormy than the first quarter-century.

FREEZER

You can prevent water pipes from freezing by mixing equal parts of glycerin and melted paraffin and painting the exposed pipes with it.

SHOW THE GIFTS

If you don't want to display your bridal gifts at your wedding, it is permissible to give a tea a few days before the wedding and show them then.

Mother-In-Law Is Held In Brutal Slaying And Burial Of Attractive Olga Duncan

VENTURA, Calif. (AP)—Police fitted in the pieces today of a plot they said led to the brutal killing of attractive Olga Duncan, whose bruised body was found in a shallow grave beside a lonely road.

An itinerant laborer, with a local police record, climaxed his tale of what he said was a hired slaying by leading officers Sunday to her hand-scooped grave.

Augustine Baldonado, 25, said in a statement that the dead woman's mother-in-law, Mrs. Elizabeth Duncan, 54, hired him and Luis Moya, 22, to kill five-months-pregnant Olga Duncan, 30, for \$6,000.

"Buried Alive"
Investigators said the victim may have been buried alive. They quoted Baldonado: "I don't know. We strangled her, and I think we killed her before we put her in the ground."

The victim, a surgical nurse, had been missing since Nov. 18. She was the estranged wife of Santa Barbara lawyer Frank Duncan. They separated only two weeks after their marriage last June.

Dist. Atty. Roy Gustafson said jealousy of the older woman was the major motive.

Coroner Virgil L. Payton, meantime, indicated that because the murdered nurse was carrying a child of more than five months' development, the case possibly would be considered a double homicide.

Planned Annulment
Less than four months before her death, the dead woman had

written her mother, Mrs. Jessie Kupczyk of Benito, Manitoba, that Mrs. Duncan held "an uncanny hold" over her son. She said she planned an annulment.

"Don't dwell on my troubles," Olga Duncan wrote. "Life is short, and I want to enjoy the rest of it."

Moya, who has denied knowledge of the slaying, was described by Santa Barbara Sheriff John Ross as badly shaken upon learning of Baldonado's statement.

Woman Denies Plot

Mrs. Duncan, too, has insisted she knows nothing of her daughter-in-law's disappearance.

Police say Mrs. Duncan has been married five times in eight years. She is charged with posing in court here as her son's wife, along with a paid confederate, to obtain a fraudulent annulment of her son's marriage last August.

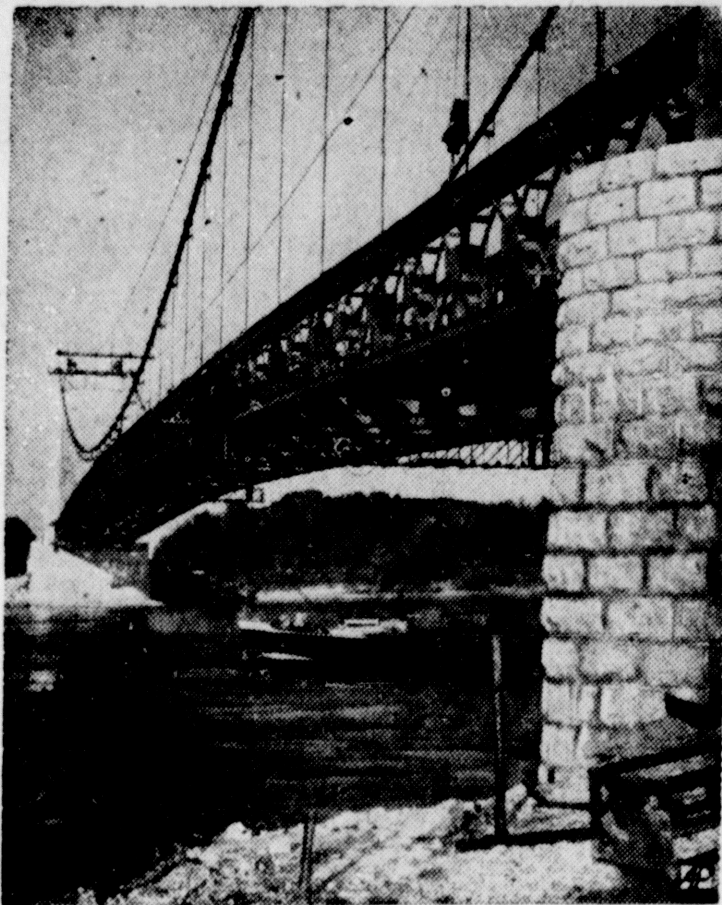

It was the discovery of the spurious annulment, authorities say, that caused them to begin an intensive search for the missing daughter-in-law.

Held In \$100,000 Bail

Charges are on file at Santa Barbara accusing Mrs. Duncan, Moya and Baldonado of conspiring to kidnap and murder Olga Duncan. They are held in lieu of \$100,000 bail apiece.

Police, led by Baldonado, found the body of the nurse, clothed only in a nylon bathrobe, buried at the bottom of a 20-foot embankment on Casitas Pass, 19 miles northwest of Ventura.

Gustafson quoted Baldonado as

RHONE SPANNER — The new suspension bridge crossing the Rhone at Orange, France, will be opened early in 1959. It replaces structure ruined by RAF in last war.

XMAS DANCE HELD SATURDAY

Over 75 persons attended the annual Christmas dance of the Junior Woman's Club of Littlestown held for members and guests on Saturday night in the Kingsdale fire hall, near town. Music was by Art Taylor and his orchestra. Mr. and Mrs. Richard E. Barnes were crowned king and queen of Christmas during the evening's festivities. The hall was appropriately

decorated for the holiday season.

The music committee, Paul R. Snyder, chairman, will be in charge of the program for the weekly dinner meeting of the local Rotarians on Tuesday, 6:15 p.m., at Schottie's.

Dale W. Starry, John Gentzler, Lewis U. Motter and Edgar H. DeGroff served as ushers for the morning worship service in St. John's Lutheran Church on Sunday. An anthem was sung by the Senior Choir, accompanied on the organ by Mrs. Jay D. Basehoar, and directed by LaRue O. Epler. The pastor, the Rev. W. C. Karns, delivered a sermon on the subject "When Will Christmas Come?" The altar flowers were placed by Mr. and Mrs. Malcolm Heiser in

honor of the wedding anniversary of Mr. and Mrs. Glenn E. Unger.

A poinsettia was placed in memory of Mrs. Virginia Wilson by her husband and daughter, Irene and family. It was announced that all contributions for this year must be in the hands of those who handle the finances of the church by December 31 or they will be credited to the 1959 account.

The annual Christmas Eve candlelight service will be held at 11 o'clock and each worshiper will receive a candle to be lighted from the church altar. Pastor Karns will present the Christmas message in story form by telling the story of "The Herald Angel." Holy Communion services will be held in St. John's Church on

Friday, January 2, at 7:30 p.m. and Sunday, January 4, at 8 and 10:15 a.m.

Mr. and Mrs. Emmett Coxson, Guayaquil, Ecuador, are the parents of a son born on December 12 at Masternadad Hospital. This is the Coxsons' first child. Mrs. Coxson is the former Betty Yealy, daughter of Mr. and Mrs. J. Edgar Yealy, near town.

TOKYO (AP) — Communist North Korea today again demanded that the U.N. Command "immediately ship out all new types of weapons and weapons of mass destruction" brought into South Korea. Similar Communist demands were made Saturday and categorically rejected by the U.N.

AUSSIE NOT
WORRIED OVER
YANK VICTORY

By WILL GRIMSLEY
BRISBANE, Australia (AP) — Harry Hopman, Australia's wily Davis Cup captain, saw the United States route Italy in the interzone final over the weekend in Perth, but he was far from impressed. "Australia should hold the Cup," the veteran tactician said complacently. "No doubt the Americans will improve in the next 10 days, but so will Ashley Cooper and Mal Anderson."

Hopman, who brought the Cup back to Australia in 1951 and has seen it go overseas just once since, began formal preparations for the challenge round next Monday, Tuesday and Wednesday by sending his team of Cooper, Anderson, Neale Fraser and Rod Laver through a slight workout.

Perry Jones, 70, U.S. captain, smiled broadly when told of Hopman's optimistic forecast. "My own confidence is in no way shaken," he smiled. "I still am not prepared to announce who will play our singles, but I'm not worrying too much."

Has A Problem
Jones may have made up his

One Script For
Movie And Play

NEW YORK (AP) — Double use of a single script is being planned by Star Dana Andrews and his producing partner, Harry Zevin.

The pair hold the rights to "11 O'Clock Road," by Gene Fowler Jr. and Lou Vettes. If plans work out, the drama would be staged on Broadway prior to production as a film. Both enterprises would be directed by Fowler.

Andrews currently is starring here in "Two for the Seesaw," mind, but to most observers he does have a problem. His No. 1 player, Ham Richardson, has been unimpressive, and could wind up on the sidelines in the challenge round.

Barry MacKay, who substituted for him when the interzone final was decided, licked Italy's Nicola Pietrangeli 6-4, 3-6, 5-7, 8-6, in one of the two final singles Sunday. Alex Olmedo Sirola 20-18, 6-1, 6-4 for a 5-0 U.S. sweep.

Big Barry, who was dropped from the first team in favor of Olmedo a week or so ago, showed signs of brilliance against Pietrangeli.

Olmedo, who practically carried the doubles burden alone when he teamed with Richardson, is assured a spot against the Aussies.

Santa and the ELF BOY

by LUCRECE HUDGINS BEALE

SYNOPSIS: The Hag tells Esteban that if he will take her back to earth from the moon, she will give him a powder that will awaken the professor's spell-bound wife. But as they prepare to leave, the Man in the Moon stops them.

Chapter Sixteen A STRANGE PROPOSAL

"I am sorry," said the Man in the Moon as he blocked Esteban's path. "I cannot let you go."

Esteban fell back in alarm. "What?" he cried. "Why would you hold us here?"

The old man smiled gently. "I will not keep you long," he said sadly. "Only long enough for me to see my eyes once more on this beautiful vision." He peered with adoring eyes at the Hanging Hag.

"Me?" cackled the Hag in astonishment. "You mean I am beautiful?"

"To me, you are lovely," said the old man. "If only you would be my bride. This old moon would never be lonely again."

"Me? A bride?" she gasped. Esteban plucked at the Hag's arm. "Come let us hurry!"

But the Hag shook him off and stood gazing at the old man. "No creature — man or beast — has called me beautiful before," she whispered. "I will stay and be his bride."

Then the Hag and the Man in the Moon fell joyfully into one another's arms. So happy were they with each other they scarcely looked up when Esteban waved farewell and sped away in his sleigh.

On the long trip back to earth Esteban never stopped urging on the deer. "Faster! Faster! Faster!" And the deer obeyed so well that in no time at all they were back in Santa Land.

The anxious fairy folk swarmed around him.

"It's done!" cried Esteban holding up the little box.

"I have the powder to break the spell!"

Then they all cheered mightily and Santa said, "It is Christmas Eve. My bag is packed. Come Esteban, we will leave at once."

Esteban flung the powder on the beautiful woman's eyelids.

And once again the sleigh, heavy with gifts, took off into the sky. The exhausted reindeer held their heads high and shook their antlers gaily.

At last they swept down over a sleeping town. As they passed the town hall they could see the clock in the steeple. A quarter to midnight. In fifteen minutes it would be Christmas Day.

Gently the sleigh landed on the roof of the great white castle. As it did so a strange thing happened. A hawk who had been sleeping in his nest on the roof awoke and took off in flight. Then a little blue bird shook herself free of the nest and hopped to the sleigh.

"It's my blue bird!" cried Esteban, picking up the bird. "We've saved her anyway!" He gave the bird to Santa and then he climbed into the nearest chimney.

A second later he popped out in Charlotte's room. The little girl looked up in astonishment when he appeared.

"Esteban!" She cried. "Where have you been?"

Esteban put his hand over her mouth. "I'll tell you all later. Are you locked in?"

"Oh, no! My father said if I tried to get anyone to stop him the same thing would happen to that one as happened to you. So I promised I wouldn't bother him again. But, oh, Esteban, he is in his room now waiting for midnight to release the gas!"

"Go to him at once!" cried Esteban rushing out the door. "Explore him to come to the room where the sleeping women lie just once before he releases the gas!"

Charlotte flew through the corridors to do his bidding while he himself raced up the stairs to the room where the beautiful woman lay.

He opened the little box and, taking out a pinch of white powder, flung the powder on the closed eyelids.

There was a gentle movement on the bed and the sleeping woman opened her eyes.

For a long moment she and Esteban gazed at one another and then she sat up and said, "Where is my husband? Where is my own darling child?"

(Tomorrow: A Merry Christmas)

TOP BUSINESS STORIES OF '58 ARE LISTED

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP) — This year has been packed with business and financial news stories that landed on front pages. In one man's opinion the 10 commandments of most reader interest are these:

1. The Wall Street bulls. The persistent rise in stock prices during the recession puzzled many. The sharp break in November frightened some. But the rise since then is now exciting many who rarely get into the market. Although profits and dividends haven't justified the market, many buyers apparently are acting out of inflation fears.

2. The recession-recovery story. The sharpest postwar break in the economy and the speediest recovery first disturbed and then heartened the public. The recovery still leaves the jobless total stubbornly high.

3. Inflation present and future. The rising cost of living took front page space in the first half of the year. The fear that the present levelling off might be short lived worries many as the year ends.

4. The steel, aluminum and auto industries raised wages and then prices. The Federal Reserve Board eased credit while the recession was still on, then tightened up fast to keep the recovery within bounds.

5. Passing of many corporate traditions. American Telephone & Telegraph raised its dividend after 36 years and split its stock three for one. The A. & P. listed voting common stock on the New York Stock Exchange after years of all-family control. The House of Morgan will merge with the Guaranty Trust Co. of New York, changing its name as it becomes the nation's fourth largest bank.

6. The bond market. U.S. securities broke sharply, burning the fingers of many speculators and embarrassing the Treasury. The Federal Reserve came to the rescue to stabilize the market, but bond prices stayed low and yields higher than for many blue chip common stocks.

7. Uncle Sam's red ink. Record peacetime spending and recession-

hit tax collections sent the Treasury deficit to around 12 billion dollars. It made the Treasury squirm as it raised money to meet its bills and it started the White House to talking about government economy again. After the Democrats swept the elections the Republicans talked loudly of the prospects of another government spending spree.

8. The Detroit story. Most of the year was drab for the auto industry, and many Americans judge the economy by what happens in Detroit. Foreign cars and American Motor's Rambler did record business. At year end Detroit was gloating over rising sales of its 1959 models.

9. Consumer heroes. Consumers hailed as heroes. They didn't panic in the recession and they didn't go hog wild in the recovery. Spending dipped slightly as unemployment rose, but still stayed comfortably high and at year end was on the upgrade.

10. Brinkmanship. The stock and commodity markets gyrated briefly as the United States became involved in crises in Lebanon, Quemoy, and Berlin. Business planners kept a cautious eye on all the international developments — including the missile race. Defense is a business item as well as a military one.

11. A steel merger kayoed. A federal court said Bethlehem and Youngstown Sheet & Tube could not merge, possibly opening a new policy on mergers and antitrust actions by the federal government whose effects could be wide spread.

Launching Of Satellite Is Big Fireworks Display

CAPE CANAVERAL, Fla. (AP)

—Launching of the nation's Atlas intercontinental ballistic missile is the most spectacular fireworks display this famous rocket test center has to offer.

The rocket, 224,000 pounds of power coated with stainless steel, stood free of its service tower for more than an hour before the spectacular launching.

It turned crimson as the rays of the setting sun reflected off the missile case. Later it shone in the beams of powerful floodlights.

Then at 6:02 p.m., the count-

down announcer shouted "Zero"

and a brilliant flash of white flame shot from the tail of the "Big A."

Turns Into Daylight

There was a pause, and then the mighty rocket struggled aloft — slowly at first — with its three engines blazing, it began to accelerate atop a tapered tail of white flame.

The cape turned to daylight for miles around as the monster weapon soared. The thunder of its three-engine power package rocked the coastline.

The Atlas is unique as far as

big rockets go in that the full power of the engines is built up on the ground.

After about 60 seconds, the Atlas — just a bright fireball now — curved high in the sky and droned toward the east.

Because conditions were perfect the Atlas was in sight for about seven minutes before it finally faded out like a fiery meteor.
